192. DAVID⁵ GIFFORD (*Lewis⁴, Thomas³, James², William¹*) was born probably at Dartmouth, Mass., about 1784, and died after 14 June 1843, the date of his father's will which gave this son \$70 (Bristol Probate, 86:341). According to H. E. Gifford (*Gifford Genealogy*, 73) David Gifford married a woman named Betsey by whom he had five children. However, the records of the First Christian Church in Dartmouth show the marriage 26 June 1806 of David Gifford and Nancy Baker. The Dartmouth vital records give the marriage date as 1 June 1806 and they are called "both of Dartmouth." We note that the intention calls him David Gifford "3rd." Since the information given to H. E. Gifford was scanty, without dates and obviously from memory a mistake in the wife's name is not surprising.

193. BARJONAH⁵ GIFFORD (*Lewis⁴, Thomas³, James², William¹*) was born at Dartmouth, Mass., about 1787, and was living 14 June 1843, the date of his father's will which gave him \$50 (Bristol Probate, 86:341). He was sometimes called Jonah. We believe that this was the "Jonah" Gifford of Dartmouth who married (int. at Dartmouth, 16 Feb. 1813) BETSY FULLER, died at Sturbridge, 6 Oct. 1849 (or 6 Nov. 1849) aged 59, of consumption (g.s., New Cemetery).

Barjonah Gifford appears to have moved to Wrentham and later to Worcester. Our knowledge of him and his family is limited. Search in Bristol and Worcester County deeds and probates might round out the history of his family's movements. H. E. Gifford lists this son of Lewis
